

# LaSPACE

The Louisiana Space Consortium (LaSPACE) provides opportunities to support student and faculty research and training in aerospace-related fields. LaSPACE contributes to the Mission Directorates of the Office of Education at NASA

## LaSPACE funds graduate and undergraduate students:

- Graduate Fellowships
- GSRA (Graduate Student Research Assistance)
- LURA (LaSPACE Undergraduate Research Assistant)
- MRS (Minority Research Scholars)
- Internships at NASA Centers or MAF
- Senior Design/Competitions

Brent Budden (LaSPACE Graduate Fellow) calibrates an electron telescope

## LaSPACE funds research proposals and student-development:

- REA (Research Enhancement Awards)
- URP (Unsolicited Research Proposals)
- RIG (Research Initiation Grants)
- MARS (Mobile Astronomy Resource System)
  
- LaACES (Louisiana Aerospace Catalyst Experiences for Students)
- HASP (High Altitude Student Platform)

LaACES students celebrate a successful sounding balloon launch
