UND-UNF team did the following work during January 2011:

- (1) UNF team reviewed work done, issues, failures and results of HASP2008 and HASP2009 flights.
- (2) UNF team also discussed about the payload for the pending HASP 2010 flight.
- (3) UND-UNF team is very much interested to fly the HASP 2010 payload in the late spring 2011 or summer 2011.
- (4) Discussion of HASP 2011 payload has been initiated at UND as well as UNF.
- (5) Dr. Fevig discussed about HASP 2011 flight to the twenty students in his Space Mission Design class last week. Few students from his class will join the team for HASP 2011.
- (6) Dr. Kaabouch will discuss about HASP 2011 flight project to her EE students during this week and explore the potential EE student involvement at UND.
- (7) Team is waiting for the comments on HASP 2011 proposal.
- (8) Preliminary outline of HASP 2011 project objectives has been started.
