

January Status Report

Section 1: Activities of team members

This month, we have been going through the reviewer's comments, and dividing up the questions between the group members.

Section 2: Issues encountered during payload design / development

Our biggest issue this month has been reorganizing our team and making sure that we have all of the information that we need following the passing of our group leader, David Nelson.

Section 3: Milestones achieved

No updates.

Section 4: Current team members and leaders

Project Lead: Margaret Blumm

Science Lead: Giovanni Malaty

Systems Lead: Kevin Briglia
