

## **Prof. Dr. Christian Stegmann**

### **General information:**

born September 6, 1965  
DESY and University Potsdam  
Professor (W3) for experimental astroparticle physics  
Email: christian.stegmann@desy.de

### **Academic training:**

Diploma in physics (1992), University Bonn

### **Scientific degrees:**

Dr. rer. nat., University Freiburg, Germany, 1995

### **Professional career:**

2011: Leading Scientist, DESY  
2011: Professor (W3), University Potsdam  
2008: Professor (W3), University Erlangen-Nuremberg  
2005: Professor (W2), University Erlangen-Nuremberg  
2000: Research Scientist, Humboldt University Berlin  
1995: Postdoctoral Fellow, DESY  
1992: Research Associate, University Freiburg

### **Miscellaneous:**

From 2011: Head of DESY Zeuthen, Member of the DESY Directorate  
From 2012: Coordinator of Astroparticle Physics in the Helmholtz Association  
From 2012: Member of the Council of the CTA Observatory  
From 2014: Member of the advisory panel for astroparticle physics and astronomy of the German Ministry for Research and Education (BMBF)  
2013 - 2015: Spokesperson of the H.E.S.S. Experiment  
2010: Bruno Rossi prize (AAS), H.E.S.S. collaboration  
2006: Descartes prize (EU), H.E.S.S. collaboration
