- Q&A

Meeting Logistics

After a brief introduction to our currently open funding opportunities, this meeting will function primarily as a Question & Answer session for faculty, staff, and students interested in applying for one of our awards.

Zoom Meeting Link:

<https://lsu.zoom.us/j/99416798499?pwd=VGF5MC96dXRHaWhPOUx1UjhENFlrUT09>

Because we will have dozens of people online and we would appreciate the time to think about questions in advance, we have created a sli.do event where you can ask questions before and during the meeting. Attendees can also vote questions up to be sure we get to the questions with the most interest. Link below.
